P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Fairchild Korea Semiconductor Ltd., a corporation organized under the laws of the Republic of Korea, 82-3, Dodang-dong Wonmi-ku, Bucheon-city, Kyungki-do, Korea (hereinafter "Assignee"), is the assignee of the entire right, title, and interest in the above-identified patent application, as shown by the assignment recorded on November 22, 2000, at Reel 011324, Frame 0018. Title of U.S. Patent No. 6,432,750 also in the name of Fairchild Korea Semiconductor Ltd. by virtue of an assignment recorded in the U.S. Patent and Trademark Office on February 22, 2001, at Reel 011561, Frame 0725.

Assignee, through its undersigned attorney, hereby disclaims the terminal portion of the term of any patent granted on the above-identified application extending beyond the expiration date of U.S. Patent No. 6,432,750, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent and the legal title to U.S. Patent No. 6,432,750 are commonly owned, this agreement to run with any

patent granted on the above-entitled application and to be binding upon assignee and its successors or assigns.

Assignee does not disclaim any terminal portion of the term of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,432,750, in the event that said U.S. Patent No. 6,432,750 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or in part or is terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term, except for the separation of legal title stated above.

The assignment recorded on November 22, 2000, at Reel 011324, Frame 0018 establishes the assignee's chain of title from the inventors.

The documents establishing the assignee's chain of title have been reviewed by the undersigned and the undersigned certifies that to the best of his/her knowledge and belief, title is in the assignee.

Enclosed is a check in the amount of \$130 to cover the terminal disclaimer fee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
